## **German Startups Group resolves increase of public share purchase offer from 300,000 to 900,115 shares**

**Berlin, 4 July 2019** - The managing general partner of German Startups Group GmbH & Co. KGaA (ISIN DE000A1MMEV4 / WKN A1M MEV), a leading venture capital provider in Germany and Berlin-based digital agency with 150 employees, has resolved to triple the initial volume of the currently running public share purchase offer and, therefore, to now acquire up to 900,115 shares.

The offer period is expected to end on 8 July 2019, 12:00 (CEST). If more than 900,115 shares are tendered for buyback under this public share purchase offer, the declarations of acceptance will be considered proportionally, i.e. in the ratio of the 900,115 shares to the aggregate number of shares tendered for buyback. Further details on the public share purchase offer are contained in the offer document, which has been published on the company's website ([www.german-startups.com](http://www.german-startups.com)) under the heading "For Shareholders" as well as subsequently in the German Federal Gazette under [www.bundesanzeiger.de](http://www.bundesanzeiger.de).
