Company	
Company description	<p>SGT German Private Equity is a Germany-based listed private equity asset manager with registered office in Frankfurt/Main. Its 100% subsidiary SGT Capital Pte. Ltd., a global alternative investment and private equity asset manager, headquartered in Singapore generates sustainable, predictable revenues from management fees, typically about 2% of the equity invested through it per annum. The capital commitments are agreed upon on a long term basis and the revenues depend on the agreed fund volume only.</p> <p>The five member management team of SGT Capital, which was founded in 2019, has invested 1.0 billion USD for a predecessor private equity company from 2015 on over the course of two years and achieved for its fund investors a return of 2.2x Money on Money (MoM) with private equity investments in Europe and the USA until early 2020. For its new, sector-agnostic private equity fund “SGT Capital Fund II” with a geographical focus on Europe and North America and a fund lifetime of ten years, SGT is aiming for a target fundraising volume of 1 to 3.5 billion USD. The management team has many years of senior experience at renowned addresses – global private equity houses, management consultancies and investment banks.</p> <p>From its origin as a leading German venture capital provider under the German Startups Group brand the SGT German Private Equity also holds a portfolio of minority stakes in some promising German Startups via its 100% subsidiary German Startups Group VC GmbH.</p>
